REFLECTIONS 75

Westwood, Massachusetts

REFLECTIONS 75 is the fourth yearbook of Edmund W. Thurston Junior High School. It is a product of the combined efforts of junior high students and volunteer staff. We hope that REFLECTIONS 75 will be a pleasant reminder of our years here at Thurston.

The school year beginning in September, 1974, was one of challenge, innovation and exploration into many diverse fields. Perhaps the most far-reaching and novel concept of all was marked by the birth of the SUNRISE experiment. Pupils in this program really became a family within the mainstream of the student body, enjoying field trips and totally integrated learning experiences. There was also a variety of mini courses to meet the widest range of individual student interests and the invaluable Career Exploration meetings.

Certainly the regular school program was immeasurably enriched by such co-curricular activities as WOSC, whose program culminated in the unforgettable Philadelphia trip; the memorable production of *THE Boy Friend*; the humanitarian endeavors of Operation HOW; the opportunities for social growth provided by the many school dances, especially the Student Council's semi-formal; and the all eighth grade field trip to see *A Separate Peace* which provided an opportunity for the utilization of one segment of Boston's vast cultural resources.

Special credit is given to yearbook advisors Ms. Solodar and Ms. Montesano. Special thanks go to Mr. Abbott, Mr. Burke, Mr. Geary and Mr. Swann for their assistance, and an extra big thank-you to all the students who gave so willingly of their time and talent to make REFLECTION 75 a reality.

... Not following a pre-determined course, but rather charting our own, unafraid to explore every alternative, this is the way in which we have searched for, and perhaps found, our goals. Whether these goals are ultimately attained or not, it is the search and our resultant unique development for which we will remember 1975.

To know you're the best

Our memories of Westwood High School will be in the people we have known and the experiences we've had . . .

DEDICATION

You have been a unique factor in influencing our growth and development as students and as individuals. You have never omitted an opportunity for doing a kindness, speaking a true work, or making a friend. Through your many qualities and understanding for others, you have cultivated the science of human relationships. Your friendship has been practical, alive, and concrete. You have been an inspiration to us; and have helped us immeasurably to gain the confidence to learn who we are and to be ourselves. Your guidance and unselfish devotion of your time and of yourself have helped to make our years at Westwood High a priceless gift.

It is with our sincere thanks and love that we dedicate the 1975 Green Years to you, Joseph McCoy

Thank You . . .

He has achieved success who has lived well, laughed often, and loved much; who has gained the respect of intelligent men, and the love of little children; who has filled his niche and accomplished his task, who has left the world better than he found it, whether by an improved poppy, a perfect poem, or a rescued soul; who has never lacked appreciation of earth's beauty, or failed to express it; who has always looked for the best in others and given the best he had; whose life was an inspiration, and whose memory a benediction.

—Bessie A. Stanley

**The Heart is the capital of the Mind,
The Mind is a single state.
The Heart and Mind together make
A single continent.**

**One — is the population—
Numerous enough.
This ecstatic nation
Seek — it is Yourself.**

—Emily Dickinson

We'll Miss . . .

MR. CHARLES P. DOYLE

As the Green Years entered production, we learned that our Assistant Principal for the past six years would be leaving Westwood High School.

During his tenure at WHS Mr. Doyle committed himself fully to the students and faculty. In spite of his many duties, he was never too busy to listen to our problems, ideas, and concerns. He provided a live and dynamic personality to the daily activities and his leadership directed many new innovative programs and ideas to the school. His warm and humanistic approach eased many a problem and his interest in the total school was always evident.

We wish him well as he accepts a new challenge as Principal of a large high school in the Chicago area, and offer our thanks and appreciation for a job well done at Westwood High School.

Whatever you can do,
or dream you can begin
it.

Boldness has genius,
power, and magic in it.

—W. H. Murray

ADMINISTRATION

Dr. John F. Tobin
Superintendent of Schools

YOU CAN'T BEAT THE SYSTEM

The administration of the Westwood School System has done a fine job during our four-year stay here at the high school. (This is no great feat seeing they had the Class of '75 to work with!!)

During our stay we have witnessed the magnificent addition of the Media Center, mezzanine, and smoking area. All these ideas were brought into reality through the co-operation and hard work of students, faculty, and administrators.

Congratulations, administrators, for a job well done!

Music

The Music Department is under the guidance and direction of two very dedicated teachers — Mr. John J. Markarian, Jr. and Mr. Sebastian Bonaiuto. Through their leadership and inspiration they have produced many fine performances featuring instrumental ensembles and choral groups. The highlights of the year included the school musical, "Kiss Me Kate", and a Pops Concert featuring several of this school's finest musical groups.

Forever expanding and seeking a wider program, the Art Department, under the talented direction of Mr. Thomas DelSignore, Mrs. Judith DesPres, and newcomer Mr. Michael Milan, creates more opportunities for the students to excel in the fields of fine arts and crafts.

Plans are underway which will create courses further concentrated in fine-arts areas, such as illustration, painting, sculpture, and design. Students enrolled in courses in Westwood High School's Art Department are able to obtain the solid background needed to further their art training, talents, and careers. Those not oriented towards a career in art gain more insight into their own personal creative abilities and means of expression.

The Business Department, headed by Mrs. Marion Healy, trains career-oriented students for the business world. Most college-bound students at Westwood High also avail themselves of the many opportunities available in the department. The valuable skills acquired are often offered to the school and community through a variety of service activities.

The courses offered in the Business Department include shorthand, typewriting, law, accounting, secretarial and office procedures, data processing, office machines, and business English. The skills acquired here at Westwood will become invaluable in future years.

In the past three years, the Home Economics Department has greatly expanded. It has grown from six course offerings to sixteen as the capable staff of Miss Knight, Mrs. Burke and Mrs. Arnold strive to satisfy the needs of the student.

A broad spectrum is covered in the department which somehow caters to the expert seamstress as well as the boy learning to fry eggs for Saturday morning breakfast. Courses in cooking span from gormet and foreign all the way to basic foods and in clothing span from tailoring to clothing workshops. The department also includes courses in Child Growth and Development and Contemporary Living where students learn through experience in teaching about youngsters and raising a family. Home Economics is for everyone!

This year the Math Department has expanded and changed for the better. Team teaching and the math seminar room have proven successful. The computer teletypes are used at all hours of the day.

Again, as in past years, the Math Team had a successful season and the Math Olympiad and the actuaries tests were administered to those students who wished to compete.

The Science Department of WHS offers a variety of courses covering the areas of biology, chemistry, and physics. In addition to the basic classes, advanced placement and laboratory courses are open to all. For students who have an interest in a science career, an independent biology course is also offered.

This year, the Department has a new and welcomed addition, Mr. Detwiles. He was appointed to fill the position of Mr. Snell who will be missed by everyone.

Montes Vidi

*I felt no hunger
Until the red dawn insisted upon my eyelids,
Penetrating the pre-aurorian mists.
And I awakened on the shoulder of a personal idol.
Remnant of a fortress now just dust,
Feeling day, warm and pliant, conform to my toes
On the highest vantage in the valley.*

*The foothills wavered gently and fuzzy in the fog
And, squinting in the dim translucence,
I saw only the polarized shadows of screaming eagles
That sometimes brushed the empty air above me,
And never saw the damp fernfronds
And forests below me
Nor the mushrooms and lichens beneath them.*

*Then, as the rising disc of light
Sharpened outlines into focused pain,
Con-i-fer-ous cli-max com-mun-i-ties
Grew up scratching.
Steaming ferns unfurled, laden with spores.
Mosses merged, and marched upon my refuge
And worms hallowed the inside; creeping.
The hours leveled it; gradually, minutely.*

*Until, angry, I stood on the forest floor,
Ankle-deep and barefoot in pine needles,
Slapping mosquitoes.
Through the crossbatch of hemlock
I saw the hillsides;
I climbed
Alone with others through brittle branches and brambles,
And encountered only stark crags of grey
That cast giant shadows over the headlands.*

Cras, eos ascendebo.

—Margaret Geary

IN MEMORIAM

Paul E. Mitchell

April 13, 1957 — February 13, 1975

*I needed the quiet, so He drew me aside
Into the shadows where we could confide
Away from the hustle where all the day long
I hurried and worried when active and strong
I needed the quiet, though at first I rebelled
But gently, — so gently, my cross He upheld
He whispered so softly of spiritual things
And when I listened my spirit took wings
I needed the quiet, — a better place to abide
A place to grow richer, in Jesus to hide
He took my hand and I walked by His side
I needed the quiet, so He drew me aside.*

— Richard Cardinal Cushing

*Reflections in a childhood mirror
small and quick and vital in a seeking sense
the smells and sounds and sights still linger
familiar in a place so lately parted from,
short snatch of green.*

*It's time to jump and grasp the
dancing air-filled symbol of a thousand vagaries.
Conceal not now the beauty of this imagined flight
glittering golden, winged in the eyelike blink flicker sun,
but treasure it rolling in a breeze relived,
remembered.*

*Vast emptiness, the urge to make it folly filled
a change of clothes, inventive olive captivated
cocktail office blues, and hired help. Sweat broken beads
and discontent.*

*Night crossing a bridge the breadth of a moment past
approach the premonition of hideous loveless life.
Darkness, a false opaque and drapelike cover, to hide it all
and play the game with our eyes while long ago our
hearts discerned the truth and throbbed a little less.
The hollowness that rose and fell and whispered words of
resignation. And blindness grew throughout the body.*

*We wait, in hope of miracles, for a cure, for a laying of
hands upon ourselves and an opening of close closed hearts.
Light cleansed, allow the entrance of some little joy.
For there is hope in long soaring shadows cast beneath a shimmering sun
and measured with a self recognition of delight,
small pearls of satisfaction, pleasure in a life unique.*

Class

Four years ago we came to Westwood High School as a new freshman class, the lowest of the underclassmen. Starting with September orientation day, we began the slow and difficult transition from junior high to high school. We were bombarded with school maps, confusing computer schedule print-outs, and an occasional "wrong direction" from some sarcastic upperclassman. Our first year took place amidst the confusion of school construction, eating lunch in home rooms, and trying to go up the up-staircase, and not up the down-staircase. Our officers: President Donald Fitzpatrick, Vice-President Kathy Berkland, Secretary Linda Clancy, and Treasurer John Atchue, worked enthusiastically on a Bruin's raffle that brought money to our non-existing treasury. On the sports scene, the Track Team became Dual County Champs, the Basketball Team earned the Dual County Championship. Silent studies were a common feature of our days as freshmen, and we looked forward to a new liberation with the school's new addition and our sophomore status.

As we advanced to sophomore status, we were welcomed by a 5.4 million dollar addition and another year of confusion in the maze of new corridors, and "no-pass areas," and a "smoking" courtyard. Also our sophomore year celebrated a year of "firsts" for WHS. The first school musicale "Bye-Bye Birdie" was presented; the school newspaper The Sacred Cheese made its appearance; the Student Council store was started, and the One-Act Plays were introduced, all adding to a special year at WHS. The Drama Department provided the school with entertainment with its "Fantasy Day" and "Fifties Day". Do you recall seeing your classmates wearing bobby-socks and saddle shoes, invading the Little Theater for the twist contest? Our class officers were: President John Atchue, Vice-President Stephanie Andrews, Secretary Laurie Gaynor, and Treasurer Kathy Yavarow. With our feet more solidly on the ground, we were able to have two class trips — one to the Boston Celtics and one to the Braves. Our treasury began to expand with numerous bake sales. At the end of our sophomore year, we were more content, eager to become juniors, as college pressures remained distant.

JUNIORS! We finally had made it to upperclassmen, and we felt self-assured and confident. Our junior year boomed with activities and chaos. As juniors, we were half in the doors of WHS and half out, as preparations for college began with Saturday mornings and the alphabet of college testing — PSAT'S, NMSQT'S, SAT'S, and ACT'S. We began to discover and enjoy our junior status as we all obtained our drivers' licenses and borrowed dad's car for school. Our class was also special to have Haris Stylanlou as a junior AFS'er from Cyprus. Our class officers: President John Atchue, Vice-President Stephanie Andrews, Secretary Laurie Gaynor, and Treasurer Kathy Yavarow, provided the class with many and varied activities. The Semi-Formal Dinner, The Pops Concert Night, and Junior-Skip Day with a little outside help from Debbie. (It seems senioritis began in our class as juniors, junioritis!!!) The Prom was at the Chateau-de-Ville in Randolph, and although there were rumors of reservation hassles spread around the school, everyone was able to attend,

History

because of all our efforts. Even though the band couldn't play the theme, "Stairway-to-Heaven", everyone had a good time. In sports it was also a great year: The Football Team placed second in the Tri-Valley League, The Track Team made Tri-Valley Champs, the Basketball Team qualified for the Tech and placed third in the league. The girls Basketball Team took the Tri-Valley League Trophy and also qualified for the States; the girls' Swim Team placed first at the Southern Mass. Divisional Meet.

SENIORS!! Early September rumors of, "we're almost outa here!" seemed to announce the Class of '75's early case of senioritis, and we began our final year at WHS with enthusiasm and many weekend parties. Our status was totally achieved — now we were upperclassmen. We crowded the parking lots with our "own" cars, and we even enjoyed the aspect of "OPEN" campus. Crutches were an extra-common sight as each day someone else joined the elite group. College preparations hit us hard with more SAT'S, college applications, and deadlines to meet. Our class was again awarded the privilege of hosting another AFS'er, this year, Hans Ludvist from Sweden. The Senior Officers were President Andy Boyle, Vice-President Stephanie Andrews, Secretary Laurie Gaynor, and Treasurer Pat Tosi. Senior activities began early with the Halloween Dance. Next came the Wheelchair Basketball game, where Mr. Gearon couldn't stay in his chair. At the Senior-Ice Hockey Game the girls won 2-1 and the boys won 3-1, and one saw whip cream fights and sawed-off brooms. The Senior Class Banquet was "Bungle-in-the-Jungle" and with roast beef, pineapple centerpieces, and, "live" entertainment it proved to be quite an "unforgettable and impressionable" night. Stephanie helped to meet the financial situation well with her donut-program, and Pat got most of the class to pay their dues. The Prom, "Time-in-a-Bottle" was held at the Sydney Hill Club, with Carol Mather, our queen reigning over all the festivities. Despite the rain, Senior-Skip-Day at South Cape Beach was a success. As college acceptances came in, preparations were made for our Senior-Class Play "ONCE UPON A MATTRESS". Our class made its impact on the school with the numerous and varied pranks. Do you remember faintly hearing an alarm clock in the corridor, or sitting in the cafeteria watching a ten-pound bag of flour go crashing to the floor, or seeing a horse in the courtyard, or walking into the cafeteria on April 1st and seeing no chairs?! In sports, the Basketball Team were Semi-Finalists in the Tech Tourney, and they placed 4th in the League. The Track Team was the Mass. Suburban Indoor Track League Champs. The girls Basketball Team made Tri-Valley League Champs, and the girls Swim Team qualified for Mass. State Swimming Trials, The Boys Spring Track Team took the Tri-Valley League Championship and were the Tri-Valley League Conference Meet Champions.

Now that our years at WHS are over, we can reflect on the past with its memories and experiences and look forward to the future with its commitments and challenges. The future is ours — it will be what we make it.

 support. Also, special thanks goes to the parents who organi-
 zed the banquet and Mrs. Helen Rizzo and Mrs. Helen Gueri-
 no for their donation of white game spikes. Thanks to Paul
 "Ice Cream" Carroll and Ron Colangelo for their help during
 the season. Seniors Luke Angelus, Jay Bennett, John Birt-
 wistle, Gary Bogue, Bob Chmielorz, Chip Coleman, Bob Hazle,
 Mike Kelley, Dick McGrail, and Dave Whalen would like to
 thank the fans and coaching staff for a great final year of high
 school football.

WAYLAND — After two big emotional wins, Westwood suffered a
 letdown. A sky-high Wayland team took full advantage of a flat Wol-
 verine squad in rolling up a 28-8 victory. Mike Band and Mike Kelley
 had good individual efforts, but it wasn't enough. Maybe the Wolverines
 were too busy keeping their new white game shoes clean!

BELLINGHAM — Westwood came back and romped over Bellingham
 47-8. It was a great team effort and many junior varsity players saw
 action in the late stages of the game.

HOLLISTON — The Wolverine's Turkey Day luck continued as the
 Westwood squad edged a tough Panther team 8-0. Dan Towle supplied
 the offense for Westwood when on the first play of the game, he
 intercepted a Holliston pass and rumbled in for the score. Dan later
 combined with Jay Bennett to tackle the Holliston quarterback in the
 end zone for a two-point safety. The entire defense played well with
 Dan Towle, Jay Bennett, Mike Kelley, and Bill Irving turning in fine
 performances. The offense had bright spots in the running of Chip
 Coleman and Luke Angelus. The line again had a great effort to open
 holes for the backs.

HANOVER — Both teams splashed and sloshed in the rain to a 12-12
 deadlock. The defense was the key, but the offense had a few bright
 spots against the Division IV Superbowl Champs.

HOPKINGTON — Even though the defense was tough, the offense had
 some tough breaks and could not get untracked as the Wolverines lost
 to a strong Hiller club, 8-0.

DOVER-SHERBOURNE — The Westwood offense exploded in the
 fourth period to overtake a well-balanced Dover squad 26-14. Luke
 Angelus had key defensive plays, while Chip Coleman led the offensive
 running attack behind superb blocking from the line.

ASHLAND — Dave Whalen's passing to John Birtwistle, who finally
 found his hands catching six Whalen aeriels, led the Wolverine offense

to a 22-0 victory. Bill Irving supplied the running power to complement the passing. Bob Hazle, filling in for an injured Jay Bennett, played excellent defense, as did Mike Kelley.

MILLIS — The Millis morning game jinx continued, when after a close defensive battle, the Wolverines fell to Millis on a last second field goal. Bill Irving had a fine game running the ball in the 11-8 loss.

MEDWAY — The Wolverines scored two quick touchdowns and then held on to win a key victory over the Mustangs of Medway, 14-12. The difference came on a two-point conversion pass from Dave Whalen to Mike Band. Both Band and Whalen had a fine game as did the offensive line. This was a big win as Westwood later ended the season with a tie for the league championship with these same Medway Mustangs.

MEDFIELD — A fired-up Wolverine eleven blew a highly rated Medfield squad off the field. The Westwood defense, led by Mike Kelley, contained Medfield's offense, while Westwood's offense ran and passed up and down the field in racking up an impressive 22-0 victory. John Birtwistle had another excellent game catching six passes for over 100 yards while Luke Angelus powered the running attack.

CROSS COUNTRY

Westwood's cross-country gang encountered both a successful and frustrating season. Although enjoying a fine 7-1 record, the only loss—to Ashland by two points—cost the squad the league championship.

Senior Co-Captain Don Swann went undefeated as he won every race during the season, and he ran away with individual honors in the all-league meet finishing just seconds off the record. He ran a proud third in the State Divisional Meet.

Westwood's other Co-Captain, Mike Keane, was beaten by only one alien opponent all year during the regular season.

The 7-1 record was the best ever for a team that has done nothing but improve since Coach Harvey Fischler took over the helm.

GYMNASTICS

1974-'75 was a year of firsts' for the Girls' Varsity Gymnastics Team. Along with their first year coach, Elizabeth Rice, the team practiced and competed for the first time in the Westwood High School gym. The girls concluded their season in the Dual County League with a disappointing record of 2 and 5, but look forward to a more encouraging season next year in the Tri-Valley League. Tri-Captains Lynne Bachofner, Karen Murphy, and Carol Vaas provided leadership and encouragement for the team throughout the season.

BOYS' SWIM TEAM

The Boys' Swim Team completed another successful season with a very impressive 12-1 record. This placed them in second position in the highly competitive Greater Boston Swim League. The team looks promising for the next few years with a lot of developing under-class stars. The team was led this year by Captains Rob Perlman, Mark Rielly, Andy Boyle, and Jim Maloof.

Captains B. Watts, M. Kelley, M. Keane.

Coaches P. Tuccelli, D. Sanfason.

TRACK

Westwood's indoor track team did it all in the '74-'75 season. The squad led by senior Tri-Captains Brad Watts, Mike Keane, and Mike Kelley went undefeated in the Massachusetts Suburban Indoor Track League. Coach Sanfason did an outstanding job with a team whose closest league competitor could only come within twenty points of the strong Westwood trackmen. WHS also swept through the relay carnival and conference meet.

Miler Mike Keane was undefeated in dual meets while Don Swann, Brad Watts, and Dick McGrail became league champs in their respective events. Other outstanding performers were Skip Zabalski, Jim Fabiano, Gregg White, and shotputters Mike Kelley and Don Stewart. In the State Meet our miler Don Swann placed fourth. An outstanding season all around!

Under the direction of hard-driving Coach Kevin Crowe, hockey has steadily improved at Westwood High.

Led by strong varsity support and hard-working underclassmen, the squad compiled an outstanding record in the Dual County League — one of the strongest in the state. If not for a few narrow losses, the boys would have entered the State Tournament and no doubt made an impressive showing.

High-scoring center Jim Riordan led the forwards and the defensive unit was sparked by seniors Ed Germano and Bob Mucciarone. Kevin Pallis came on strong during the season along with sophomore Bill Rogers.

Overcoming preseason injuries and hard work by the entire squad earned the well-deserved praise of other league coaches and the loyal fans who made the long journey to Assabet Valley each week.

Golf Team

This year's golf team, under the direction of Coach Ray Kodzis, finished the season with a record of ten wins, two losses, and two ties. This was a great improvement over the previous season and was good enough for a second place finish in the Tri-Valley League.

Senior members of the squad were Bob Mucciarone and Captain Bruce Bertman. Another highlight of the season was Bruce's election to the Tri-Valley League All-Star team.

GIRLS' TRACK

The Westwood High Girls' Track Team finished their 1975 season with a 7-3 record. Tri-captains for this year were seniors Pam Flynn, Sharon Taylor, and Carol Vaas. The entire team really worked hard, showed a lot of determination, and greatly appreciated the superb instruction of their coach Miss Kathy Schurz.

At the district meet the girls obtained three fourths. Sophomore Nancy Fabiano in the 100 yard dash; Junior Liz Pallis in the high jump; and Sophomores Linda Fabiano, Jean Fabiano, Anne Montgomery, and Nancy Fabiano in the 440 relay.

Student Advisory Board

This year's Advisory Board to the School Committee was comprised of Co-Chairmen John Atchue and Rob Perlman, Junior member Arthur Skelskie, Sophomore Secretary Merideth Beers, and Freshman Ellyn Kusmin. The Board successfully bridged the gap between the student body, the administration, and the school committee.

One of the most notable accomplishments was the June 1 graduation which was handled superbly by the class advisors and Rob Perlman. Rob was also our State Student Advisory Representative.

1974-1975 was a fairly quiet year for the Student-Faculty Forum. Editor M. Capuzzo

Co-Editors Michael Capuzzo and Donald Swann directed THE SACRED CHEESE during the first half of school year 1974-75.

With Seniors Margaret Geary, Paul Silverman, June Kinsman, Jim Cook and Rob Murphy forming a talented and dedicated surrounding nucleus, the CHEESE reached its peak with a special 24 page Thanksgiving issue (after which the Co-Editors suffered simultaneous nervous breakdowns and ulcers, semi-retiring to regroup a new staff to guide the paper

to the end of the year).

On January 11, the CHEESE staff attended the American International College Scholastic Press Forum in Springfield, the paper's first contest in its three year history.

Competing against 51 other high school newspapers from New York, Connecticut and Massachusetts, the CHEESE was awarded a second place trophy for "overall excellence," a first place plaque for "Complete Coverage of Campus News," a first place plaque for "National and International News" and a verbal award from an AIC Journalism Professor: "The Sacred Cheese is one of the top two or three high school newspapers in the northeastern United States."

The trio of Bob Moses, Mitchell Katler and Stephen Karp has already produced two creditable issues, and will pilot the paper next year.

Footnote: Talented and tireless Mr. Michael Milan of the Art Dept. worked patiently with two separate staffs of the CHEESE in 1974-75. His creativity, enthusiasm and the work of his artists were major reasons why the CHEESE was an award-winning newspaper.

The Harlequin took on a whole new look this year. The entire concept was revitalized under advisor Ellen Eberly and chief editor Barbara Breese. The name of the magazine was changed to the "No Parentheses" signifying the freedom of expression provided. Enthusiastic students supported the break from the standard "English Composition" literary magazine and submitted all sorts of unusual and original works. There was more written material, more artwork, music and photography than ever before! With invaluable aid from the mechanical arts department, the entire staff worked hard to organize and release the best issue ever of the school magazine, now known as, the "No Parentheses".

Meetings were fun, even when the skies became cloudy, with reports from members on their own trips, games of ping-pong, and pizza.

Lacrosse

This year's Lacrosse Club did quite well in spite of a short season and a small turnout of players. Coached by Mr. Greg Norton and Captained by Randy Wong, the club won two games while losing only one. The three games were played against teams composed of both varsity and junior-varsity players.

The club was led by a strong defensive group consisting of Bob Hazle, Gene Tradd, and Mike O'Neil with Randy Wong in the goal. The offense was paced by Jay Bennett, Jeff Deacon, and Paul Irving. The club would like to thank the faculty and administration for their assistance and especially Greg Norton for his volunteer coaching services.

Cheering in '74-'75 proved to be the most enjoyable year for many of the veteran cheerleaders. The squad worked well together and had an exciting season. The various cheering activities included over thirty games, posters for the football players' lockers, cheering in the pouring rain, a buffet dinner for the basketball players, and dinner at Emerson's. The squad was very successful in competition, placing third, but still felt that they were number one! The squad's most rewarding accomplishment was a year with no fights! Finally, they proudly received their Varsity jackets.

ORCHESTRA

The Westwood High School orchestra under the direction of Sebastian Bonaiuto had a very successful year. Many of the activities they were involved with included a combined concert with the Jr. High, the annual Christmas concert and a spring pops concert. They ended the year with visits to the various elementary schools throughout Westwood. Their hard work and practice showed throughout every performance.

"Crash into them—we were here first!!" ... soggy field ... wet sneakers ... missing uniforms ... perfect prayer ... the Club Car ... Alka Seltzer ... A GREAT YEAR.

This year the 1974-'75 drill team, under the direction of Captain Barbara Lynch and Co-Captain Marilyn Hill, had an exciting season. Besides coordinating with the band during half-time, the squad was entered in the competition and exhibition routines. The girls deserve credit for their wonderful performances and the hard work and accomplishments of a basically new squad.

Drama Club

The 1974-75 Drama Club, under the direction of Miss Ellin Glancy, was bigger and more productive this year. The year's activities opened with seven student-directed one-act plays, performed on a two-night billing.

Westwood's third annual musical was "Kiss Me Kate." The production was the result of great efforts on the part of the director, Miss Glancy, the cast, and the crew.

The student-directed production of "The Blind" placed alternate in the Massachusetts Drama Festival.

The senior class play — "Once Upon a Mattress" was a first for some of the actors and a great finale in high school theatre for others.

The Club wound up its busy year with three student-directed one-act plays in June.

*The rope of life is knotty and abrasive.
We become blistered in the climb,
And sometimes the pain is keen.
We persist in our climb upward, though,
Testing personal stamina,
 prodding ourselves on.
We grasp for maturity, for independence,
Yet the gravity of childhood drags us down,
And we tremble.
We continue, though,
To stretch, to search,
To seek the truth.
Our fears depart, momentarily,
And we reach out to touch the world
 for ourselves,
But the unknown is frightening.
We see the world through myopic eyes,
And fight our way through clouds
Which we encounter on our journey upward.
There is an end to the haze through which
 we travel.
There must be.
Courage and love will dispel
 our apprehensions.
One day, we shall reach the destiny
Which we have struggled so hard for.
Then, we shall abandon the rope,
So time-worn and oft-traveled.
At this summit we shall leave our weariness.
Our souls will soar over the clouds—
Freedom shall be achieved.
We shall challenge the unknown,
And make it the known.*

STAFF

1975 is the year you never would have believed twelve months ago. It's a special year for a special class. The 1975 Green Years staff, under the direction of Nancy Masison and Jane Montgomery has attempted to capture in the pages of this book the magic of the memories of this year.

Under the expert guidance of our advisor, Mr. Flahive, we have been given the freedom to expand our book and explore new methods in creating a unique memoir.

Also, a very special thanks to the many people whose skill and hard-working dedication helped to make the yearbook possible this year. Your ideas and co-operation have made the 1975 Green Years a rewarding experience and a unique treasure.

Thanks to all and best of luck . . .

Westwood — Walpole — Medfield

A dark, moody photograph of a night sky. In the upper left corner, there is a white rectangular object, possibly a piece of paper or a light source. The sky is filled with dark, silhouetted branches or trees. In the lower left, there is a reflection of stars or a light source in a body of water.
